“ You and I have had many conversations about the Great Beyond. Now that you are there, I wish that you could tell me about your experience of being in the presence of our Savior. I guess I'll just have to wait until it is my time.
We will miss your Kindness, Generosity and Humor.
I will see you later my friend.

“ Hey, old gator, KA4ANA, you will be missed. And you will remain in our hearts, with many fond memories of our long discussions about the state of the world, and rag-chewing. You encouraged me as I got my ham license, and bragged about Alan WB4L being such a terrific Elmer. You checked on me every day that I was in the hospital, and we reciprocated with my daily "lecture" to you about hydrating. You were such a sweet old rascal. Thank you for all the memories. Our hearts go out to Diane, Debbie, Laura and all the family. May your memory always be a blessing for all of us fortunate to have known you. And bless you for the beautiful gift of friendship you shared with my beloved Alan. Rest in peace, OM. 88s

“ Albert was my friend for the past 71 years. I will always have wonderful memories of our childhood and onward. I am profoundly saddened by his death. I don't have enough words to convey my grief. I will miss our frequent conversations. This is a pic taken at the wedding of Albert and Diane. RIP and 73
