“ *To Mamo's family, We want each of you to know how much Mamo meant to us. We loved her from the first day we met that feisty little lady all of you called Mamo.. Mamo was good to everyone and she always wanted to do more for you, than you did for her. Denny and I are the other set of grandparents that Macy shares her love with. I laughingly always told everyone that Mamo was Macy's first pick but that was okay with me because Mamo was my favorite too! I jokingly told that story about Mamo,, but I meant every word of it. I'm so thankful Macy has had Mamo for 19 years now. I know that Macy, Kelly Lynn, Keelan and Shawn are all devastated over losing her. But rest assured, we will meet Mamo again on that great judgement day! If any of you don't know God, then I pray you will be making plans to see Mamo again and all the rest of your loved ones. Our Bible tells us that "to be absent from the body, is to be present with the Lord". Denny and I are praying fpr each of you. We are so sad to lose Mamo too. I know, without a doubt, our time here is getting shorter every day. Praying God will give each of you Comfort and Peace. We love each of you.
