“ I always loved to be around Anna Jo. She was always laughing about something we had done years ago. She stayed the night with me several times when we were in high school. We had so much fun! She will be greatly missed. But in a much better place!!

Anna Joe was my best friend and my sister by choice. I don't know what I'm going to do without her. She was my Louise and I was her Thelma. She's with Charlotte and her Mama now. Thank you Anna for being my friend, I love you.

“ I always loved Anna Jo. I never saw her without a smile. She was kind, loving & most of all loved her family. I spoke to her just last year about our native heritage. She will be missed.
