“ *Our little world lost a great friend and a very special woman!!!Our family has known the Cates girls almost all our lives!!!Though not blood related, we feel in our hearts that we are family and the loss of Barbara is a deep heartbreak to each of us!!! I use to stop by the Market in Algood several times each week and Barbara always gave me a big hug and that sweet smile and we talked as much as we could before she had to go back to work!! She ALWAYS asked how each member of my family was!!! We'd talk and laugh and talk some more!! She was such a precious friend to all !!!And though so much sorrow and heartbreak she left down here, I know she missed your Mom and Dad so much, think of the joy she felt to see them again!!! I pray for God's peace and His comfort to surround you , I pray He draws you all close to Him and keeps you there , not only the next few days but for the many heartbreaking days ahead!!! I pray that you feel His love and the love of family and friends and may that love get you through when you are overwhelmed with grief!!! My deepest and sincere sympathy and much, much love always!!Fay Thompson Davis*
