“ From the very first encounter I had with Becky I knew she would be part of my life from that point on. How could you not, with a smile like hers and such caring eyes. I could tell I had just met a genuinely good person. One of Gods angels on earth. She never let me pass her by without a hug and the curiosity of how my family and I were doing. She was a light in the darkness for many and the world will be missing her. I know that I will miss her and never forget what a beautiful and kind soul I was lucky enough to have nearby. My prayers are with her family. My friend Mike. Their son Eric and daughter my friend Sara. The wonderful grandchildren and great grandchildren. I know how much Richard, her son in law, loved her like his own mother. Lord I pray that Beckys family be in the center of your light. Amen

“ Ms Becky was a beautiful person and a light for others to feel her love. Her smile was ever present. This family has been through so much but she shows us all what faith and love for others can do for strength in the hardest of times. I thank God he let me know her. “ There is no words . Bekki lived her life as a testimony to all. She loves her family with a heart that had no room for anything else. You did NOT doing anything to anyone of them or you would see a side to reckoned with and it wouldn't be pretty. She always had that famous smile and laugh. She just made you feel good just being around her if you was lucky enough to be around her. My prayers are for all her family. I hurt for you. Bekki is in no pain now but her family is. May Jesus put his arms around you all in love and comfort.
