“ *I have such fond memories of spending time at the Thompson home as a youth. One of the memories that has always made me smile was around the dinner table. Mrs. Thompson always prepared a big dinner after Church and it usually included cake. When she served up the wedge shaped slices of cake, it wasn't ever turned properly to suit Archie. He lovingly joked that the thin part of the wedge should always be turned toward him to eat it.*

*My prayers are with each of you. She was such a wonderful lady.*

*With condolences,
