“ *Tasha: When the world takes one loved so much, we never fully understand the depth of that pain. My heart is heavy knowing all the ones he left behind are grieving for him; what was and what can never be. Our prayers for you and for all your family members and his friends. Yes, God has a very special place for your brother. Find the strength to honor the love of him and by him every day. Don't let the grief overwhelm the joy of his living. Love, Mimi and family.*
