“ *My heart is broken to pieces right now and I don't think it will ever be the same again. I can't even begin to fathom the depth of sorrow his family and friends are going through right now. My heart goes out to y'all! He was my friend, I'd trust him with my life more than anybody. He was a true definition of a protector. He was the kind of friend who always has your back. One of the sweetest souls I have the honor of knowing.*

I remember "Buck" coming into the con Mart and asking my daughter if he could kiss me and she said no! He bought her a Yahoo and one of Bekki's brownies the asked her again and she said just this once. Lol. He gave us both a hug and kiss on the cheek. His smile would brighten all our days.
