“ *What you leave behind is not what is engraved in stone monuments but what is woven into the lives of others. Thank you for showing so many what a TRUE man should be portrayed as, working with ethics that was known by all, and you passed it down to your son as well. I had the opportunity growing up in Monterey to see the blessings you made possible for so many families, especially mine. Thank you again, prayers for the family and friends of Mr. Simpson. *Angela Eldridge-Baisley*
