“ Mom our hearts are still broken. You were a light in a dark world. When I was little I always wanted to stay at home with you and not go places because you made our home a safe and warm place to be. I would sit beside you in church and watch as you praised the Lord. I wanted to be just like you. Your personal relationship with the Lord was very real in your life. I would call you late at night and no matter the time or trouble you always pointed me to OUR SAVIOUR. Thank you for sharing HIM with me. I know that I will see you again someday. Until we meet again mamma. I love you and will always cherish our relationship and time spent together. I will miss our long talks into the night and all the wisdom you gave me. You were a true christian lady. The last verse you shared with me was Philippians 4:13 "I can do all things through Christ which strengtheneth me." Love you more!!! Bethany

“ I'm sad to hear the news of Charlotte's passing. She was always so sweet and soft spoken. Charlotte was in the singing group called The Plateau Girls in 1967-69 There were 7 of us. We were all members of The Plateau Independent Baptist Church. We sang at our church, and many many other churches around Crossville & Monterey for Singings and Revivals, Cottage Prayer Meetings and Baptizing's. We saw a lot of people getting Saved and people Shouting and Praising The Lord. I'm so Thankful to have these memories with Charlotte, her sister Janet Wilson, Maude Bowman Pierce, Janice Slagle, Roberta Wyatt Schubert, Kathy Davis and Brenda Hall Bailey the piano player. I'm sure of this one thing, All 7 of us will get to sing together again !!!!!

One of the sweetest talented ladies I've met since settling in Monterey. Couldn't wait to see what artwork she would bring to the bank's craft fair.... always so kind!

“ *I remember the creativity that Charlotte shared with our Uffelman family when we had a shower, retirement party or any get-together in the library. Her store showed off that same originality. She will be sorely missed. She was an energetic assistant who put so much into helping students and teachers.*

“ Charlotte, I still can't believe you are gone. I have been thinking today about when we met at Uffelman School working together for 30 years and had a friendship until this very day when I heard about your passing. We experienced many times during these years being there for each other in all times. We never had any anger between us in all these years. I have really enjoyed having a booth at Hello Market Blessings and we have got to see each other on a regular basis for the last year. I really want to thank you and your sisters for adopting me into your family so I could have sisters too since I didn't have one. Thanks so much for all the kindness and love you have showed by letting you light shine always. I am so thankful we worked together last Saturday and shared that time. I am so glad God made us friends forever. Monterey will not be the same without you here. My heart is 💔 ! Love, Emily Harris

“ *i Have so many wonderful memories of Charlotte. I was blessed to attend church with her for many years. I always loved hearing her sing. She had a beautiful voice and sang with the spirit of God. I also was privileged to attend some of her art and journaling classes. I learned so much from her, and she always shined as a Christian wherever she was and whatever she was doing. We are all going to miss her dearly and are looking forward to the day we see her again in Heaven. My thoughts and prayers and love are with all the family. I pray that God will comfort you during your time of grief. Love you all.*

“ Oh Charlotte, everyone who knew you was blessed to be in your presence. I know Heaven is rejoicing that an angel has come home, but down here we're all going to miss you so much. Your kindness, and tenderness not just with the children, but with all the adults at Uffelman and Burks will never be forgotten. You were the calm in the storm for me personally so many times. My comfort today is knowing that I'll see you again. Love and comfort to all your family as they say goodbye, but just for now.
