“ *I only knew Chris thru our mutual dear friend Jane Fronheiser. But I did spend a weekend with her years ago on Tybee Island, GA. We had lots of laughs including a "How are YOU?" story we have retold many times. In January Chris rallied and requested the 4 of us go out for lunch so she could have spaghetti. It's a an outing I'll remember because she looked so happy sitting across from me. My condolences to all who loved her. There is no present like the time.*
