BE

*I worked with Dan many times, early in my career as a pipefitter. He was such an impact on my life as a young man. If you heard Dan was coming to the job, every foreman fought hard to have Dan in his crew. His reputation was impeccable ❤️
His work ethics were above all others. He always was a leader. He had told me some stories of his Vietnam experiences but never bragged about his accomplishments. I never knew he was a Purple Heart recipient.
He was such a humble man of character and a man of his Christian beliefs.
I lost contact with him after his retirement
He touched many lives
He'll be missed by many that he had an impact on. He was always had an extremely great attitude for every task that was asked of him. He was definitely a leader
His knowledge and wisdom will be missed but God had a plan for him
❤️*
