“ *So sorry for your loss to the family. Mr.David was such a sweet man. We talked everytime he came to the store. We sure will miss him.*

“ *David was such a kind uplifting man. Though the moments were brief, when David would pull up to the Banks Drive-thru, he was always the bright spot in my day. I never knew what trials he had in his life but you could tell he had his share yet his faith and his children kept him lifted. His children/grandchildren were his guiding lights and were happiest when he was with them or speaking of them. He will surely be missed.*

“ Mr. Gunter used to come into my cafe'. He always was smiling and was always optimistic AND he was always praising God for his blessings. Regardless of days when he came in having such difficulty breathing, and it would be horribly hot and humid, he would get his food and go to try and work. He bragged continually on his grandchildren and thanked God for them when they were younger living in his home. He saw them as such a blessing. He struggled but always said that others had it worse. He would take his time praying over his meal whenever he did eat in the cafe'. We would see him in stores afterward and he was still the same. We never knew him personally, but he left an impact on our lives as I'm certain he did for so many. Our prayers are with his loved ones. M.S.
