“ Dick and Dayle have been a part our lives and are the reason we moved to Tennessee and inspired us to live in the Cove. Dayle was a joy to be around and we will miss her sense of humor. I always told her that she sounded like Martha Stewart when she spoke and had a good take on things. Thankyou Dayle for making our days a little brighter. I can hear saying, Dang, it ain't so bad over here on the other side!
