“ Doris was very special to Gary and I when Gary was a little boy when he went to Tennessee with his family he wanted to do everything with Doris . He would ride around in the car with her and Shirley. I was just a little 16 year old when I met Doris she loved and accepted me. If it wasn't for Doris Gary and I would never have gotten married . We have now been married for 57 years. Our prayers to the family

“ I will always remember the beautiful singing voice Doris had. I enjoyed the get togethers the family had. A lot of good food and singing. You will be missed, but now you are singing with the angels.
