“ Dylan, it's been 17 weeks since God took you home. Not a day goes by that I don't think of you and miss you. We had a beautiful Celebration of Life Service for you. Daniel misses you so much, we ALL do. This Thursday it will be 15 years ago that God took Mamaw home to be with Him. I know She was waiting there with open arms to greet you. Please kiss her and little grandma for me and ask God to please help Daniel through everything. I am your great Aunt but in my heart you were my son for the last 15 years. I hate that I can't see your beautiful smile but I know you are happier now than you ever were on earth. You had so much pain and hurt in your young life, but knowing you will never feel that again helps me through all of this. Until we are together again, please watch over us all. I can't wait to see you again. I love you with all my heart.
