“ *Much love sent to the entire Guenther family...Emma will be missed! John and Emma were the most hospitable folks I've ever met. They fed me many a meal and I always felt I loved and cared for. May God bless you all!*

“ *I attended Emma's school for a while back in the '80s, and also lived in the Muddy Pond community. I spent a lot of time at the Gunther household, and Emma was always kind and such a hard worker and loving mother to her children, also to a kid like me who was not blood kin. I recall with great funness her white bread, and her wonderful cookies. Pro tip, her freshly baked bread with molasses straight from the tap was the best! Her large family always had wonderful suppers, complete with wonderful desserts she had baked from scratch. I have not been in touch with Emma more than twice over the last 30 years, however she certainly made an important mark on my life. Thank you for a life well-lived that helped mine also be a richer life.*

“ *My cousin Doris and I are from the Atlanta area and visited Emma and the Variety Store when we visited Crossville three times a year. It was a highlight of our trips. Doris is 102, and we no longer go to Crossville regularly, but did see her a couple of years ago. We loved her and know she will be missed. Prayers for her family*
