“ I have known Frances all my life, my Mother, Evelyn, was great friend. They traveled to many Country music shows together from Battle Creek. After school I would many times stay at house with Frances till my Mom got out of work. We would listen to Buck Owens records & play card games. Always Kept in touch even after Frances moved back to Tenn. visiting her there. Was so thankful for time we had for visits as she came back to live in St Clair Shores. Thankful for her family that loved & took good care of her. Frances was a blessing to know.
