“ *Our family went to church with Brother Frank for years. He was always kind and smiling. He used to make cd copies of good gospel music to share with us. We still have them. I have a memory of Bro Frank that will always be extra special; we were at the church for my bridal shower, Bro Frank came to the door of the fellowship hall, handed me a heavy white gift bag, and with his little smile said he'd see us later. To my tearful surprise, it was a family Bible. It will always be special to us and our family, something we can pass on for future generations.*

*We love Brother Frank. He was special and will be dearly missed.*
