“ *Frank was one of a kind, I had to call on him many times when my daughter and my niece was younger because the car kept blowing the brain box, so he kept a supply of them with him just for the car, I'd call him and he'd come and put it on only took him about 5 or 10 min and then I'd pay him for the new brain box, he was a kind hearted man and took care of his customers... so sorry to hear of his passing.....*
