“ I had the pleasure of working with Geneva for her physical therapy treatments years ago. She was always so kind and welcoming. I looked forward to our visits. She was so much fun and such a sweet person. She talked about her family often and I could tell she loved her family dearly. Heaven just gained the sweetest angel ever. I will keep her family in my prayers

“ I am so sorry to hear about Geneva, I went to her room Monday and was so shocked. She was my sister (Bessie's room mate for months) we loved her. I would help her and Bessie do their weekly menus and we made a fun time of it. We laughed and had such a good time doing that. I learned what she did and didn't like to eat and she loved "peanut butter sandwiches" lol that was her go to when they had nothing she liked. She will be missed.

“ My favorite memories of Geneva, was when she use to babysit me. She had the best high heels and always let me wear them to play dress up with. Grew up with her and church and have always loved her.
