“ *Uncle Harvey was the best! I have so many memories with him growing up and as an adult. So many I could not express them all. Loved being with the family on the holidays at grandma's house and most of, if not all our family there. I miss them all so much. Harvey always had a traveling soul, it didn't matter where we lived growing up he would always come to visit or even stay awhile and live in the same state. Harvey was very articulate and very good at it. I have a very special framed drawing that he did of an home interior design and when I seen it, I asked him if I could have it and he did not hesitate to say yes. I will cherish it forever!! Rest in Peace Uncle until we meet again.*

Your life on earth will remain in my heart forever and knowing you are in Heaven with our family gives me peace beyond measure!

“ I’ll never forget Harvey taking over for me sitting with my dad, his brother-in-law Floyd, the night my dad passed away. Harvey was with him when he took his last breathe. My mom, his sister, passed away in 2009, but Harvey stayed with family and showed up when it was time to show up! We played kickball as kids and it was fun having an Uncle only 2 years and 2 days older than me . He was a wonderful Uncle and a man of few words but a man of huge kindness. Rest in peace Uncle Harvey. Give mom and dad a huge hug. We love you and will miss you. Your niece, Linda
