“ I have loved 🥰 and watched my little sister grow into a beautiful lady. I love you bunches forever and a day; even though you and Jody tore up my barbies while I was in school. 😭 Rest In Peace little sister.

“ Heather was my friend, my ADPi sister and we shared a birthday. In fact she was my Big Sister! She epitomized that role, too. Ms. Georgia and I kept in touch for many years and she would update me on Heather's health. I'm heartbroken about her passing and so grateful for those of you who cared for her over all the years.

“ Heather was my ADPi sister and someone who I admired greatly. She was so intelligent with big dreams, both outspoken and kind, with such a bright future planned. I enjoyed and admired her so much. Being from here myself, the tragedy simply broke my heart and I have thought of her so often over the years. Her family and fellow sister will be in my prayers. I rejoice in her peace and healing.

“ Heather and I pledged Alpha Delta Pi together. We worked at BBQ's together as well and we're roommates for a month with our cats Buck & MacCavity! She was the most vibrant person I had ever met! She was smart and so so funny! Her heart was filled with compassion for everyone she met but she could put you in your place if you were out of line! I use to say to her... “ you are going to make a fabulous teacher; your kids will love you”! We closed down BBQ's the night b4 her tragedy... We had the best talk... we laughed & we cried! I have missed you every day since! I'm so happy you are healed & made whole again my sweet friend ! I will see you again one day Give Buck & MacMac and hug for me Pi Love my sweet friend
