“ We will all miss Jerry. He was called away much too soon. Jerry was one of the best things that ever happened to the the Cummings family. His quiet strength reminded me of the expression , "He's bigger on the bottom than he is on the top." , meaning he was impossible to topple over. We were always warmly welcomed into his home. His love of Nancy was felt by us all. He was clear eyed , never one to complain. He and Nancy built a good life for themselves through love , hard work , patience and self reliance. His slow , dry sense of humor is one of the things I will miss most. I wish I could have been his neighbor. All of our love , Jon , Lenore , Katherine and Malcolm
