“ *I will always miss Joe. Coming taking care of him when I worked for home health on Sunday morning. He would always tell me the greatest story's while I cooked breakfast and we set together and he ate. ( I loved those story's) . To know Joe was to love him. Rest in best my friend. Love your friend Carolyn ( worderwood).*

“ *I remember seeing Joe at FFM running the mechanical chicken deboner when I had cardboard to take to the baler. I also remember Dean bringing him to my Mama's for visits. A true gentleman and terrific guy.*

“ Joe, you will be greatly missed. You were and always will be a part of our family. My nanny loved you and you fit right in like you had been in our lives for years. The kids and I love you and know that you're in Jesus's arms which is the most precious place to be.

“ Joe worked with me at FFM/Gol-Pak (now Perdue) many years ago. He was a good man and great co-worker. What I remember most about our time together was his big smile!
