“ *My dear friend Joey I will miss you forever. You lived life on your own terms and I am so happy that I was blessed to share some of that time with you. You are the best friend a person could ever have. If anyone needed help you were there without hesitation always. You made me laugh so hard and I'm not sure what to do now without you but I have memories that will never fade. There is a hole in my heart and I will always love you. Be at peace my friend and know that you touched everyone around you. Love always "Patty "*

“ Our family is so so sorry to hear of the loss of Joel. We will never forget meeting him in Delaware he was the father of Anthony Kaiser our son's fraternity brother and who we love as a son. Joel was so easy going and loveable from the time we met him and had a great personality and shared so many stories with us. It was like we knew him for years. He will be sadly missed and taken too soon. Our thoughts, prayers and condolences go to the entire Kaiser family especially Anthony.

Our deepest sympathy Maryann, Kurt and Erich Asan 💖🥺
