“ *Aunt Juanita would always made us feel welcome, special, and loved when we visited from Michigan. I will remember her warm heart, easy going demeanor and upbeat attitude. Her baked beans were the best and still one of my favorite meals. She liked to surprise us with visits to Opryland when we came. She always made sure we had fun when we visited. Thank you, Aunt Juanita for your love and care for us. I know the Lord has built an extra special place for you.*
