*Pam, so awesome You & Don opened up your home to give Julie the respect that only family' friends and loved ones could share. Mike the show of support for Julie includes you too. I never had the pleasure to meet her but you helped us so much with becoming a part of this community. Knowing she chose you tells me a lot about her. I'm so sorry for your loss. I'm so grateful to be a part of the community that you and Julie helped create. Thank you both.*
