“ I know is late but didn't know she passed away. Sympathies to the family. Kathleen and her brother Dan lived up street from us. She babysat my brother Tom and I many times. She was school friends with my cousin Sandra Henkey in Waukegan ILL. Kathleen and her brother Dan also came to my house in Wisconsin to visit with my late husband and when my cousin Sandy came to visit. I used to babysit her son when he was young and I was a teenager. We all played ballcourt and water skied with Kathleen and her brother Dan. Those were fun days even though years apart in age. Again our sympathies to all her family.
