“ Kathy was my office help at MHS! June Walker and I loved her like she was ours! She was a very smart student and was a friend to many classmates! She has been knocked down so many times by people she loved and admired! I hate life can take away a child's hope and dreams and Kathy had many! I loved you Kathy Henry and wanted those dreams that you dreamed to come true for you! RIP my sweet dependable student worker! I'll never forget your sweet smile and hugs! God has a special place for those mistreated here on this earth! Fly high Kathy up there with your wings! Love you forever, Ms Pat (Bowman)

“ I will never forget playing in the Monterey High School Marching Band with Kathy. She played the saxophone and I was a baton twirler. We had so much fun. I loved her so much.
