“ *Alan was the coolest uncle! He was always a hoot and constantly trying to make us laugh (and did). He even made his dog, Snoop, do funny things like eat an onion when he didn't want to. He and my dad seemed to be competing to see who could entertain us most. As kids, we loved it. He was a great guy and I have only fond memories of him. All my love to my cousin Tim and the rest of his family.*
