I met Linda while working at the Bank inside WalMart. She was one of the friendliest people I've ever known. Never seen her without a smile. If she didn't feel good no one would ever know. The last time I saw her was at Columbia Hill Church sat in front of me and we talked and talked. But we still listen to our pastor. You couldn't be around her and not talk if you knew Linda you know what I'm talking about. You will be missed Linda.

“ I have loved Linda since the first day I met her. We spent so many hours together just chit chatting. Kinda surely was a special lady in my life. She knew how to bring the best out in a person, even on their hardest if days. I will always remember Linda for just that, a special lady with a heart if gold. She was always so giving and never judged a soul. Those who were lucky enough to have Linda in their lives knew just exactly what Linda loved, her family and her friends!!! Thank you Linda for the little chat we had yesterday evening, even though it was our last chat together, your famous last words to me, I will cherish forever.. All who knew Linda knows what her famous last words to all were, "I LOVE YOU," to Linda!! R.I.P my dear friend, see ya in just a wink, I promise ❤️
