My sweet Aunt Linda was always happy and could always make me laugh. We would laugh and joke about if D was taking good care of her. She used to tell me that we had to approve of the women he dated. She said "They gotta be good. He's my baby boy!" She was so good and I am going to miss her so bad. I am glad she isn't sick anymore. I know she's in Heaven so I know I will see her again some day.
