“ Words can't start to express how my heart breaks. I have so many great memories of Lisa. She was my ride or die and my side kick. After high school our lives took different paths but we tried to stay in touch. Life is sometimes way to short but I'll always keep her memories close to my heart. She was the sweetest person on this earth, almost too nice at times. I miss my friend but I know I'll see her again in heaven greeting me with that pretty smile she always had. Rest in peace my sweet friend til we meet again!!! Sending prayers to Phyllis, Haley, Cynthia and Billy. May God bless you all with peace over the next few days.

“ I have to remind myself that some birds are not meant to be caged. Their feathers are just too bright... and when they fly away, part of you rejoices that you are not able to hold them down. But at the same time the place that you're in is still drab and empty now that they're gone. I guess I just miss my friend...”
