“ *I worked with Dian many years at GTE. She was always so much fun to be around. Always such a kind person and could make you laugh on your worst days! Later on in the years at GTE her sweet daughter Angie joined us and added more kindness and laughter. Hugs and prayers to this precious family.*

“ My deepest sympathies on the loss of Dian. I knew her from when she worked as an operator for GTE and I was working at the Bank of Putnam County. I even called the operator one day and imagine my surprise when I hear her voice on the other end of the phone! It's been a couple of years since I saw her. It was prior to COVID and I volunteered at Signature Health in Algood for BINGO on Thursdays. It had been so long since we'd seen each other, but she recognized me right away (even with my gray hair!). Wish I could have said the same, but when she told me her name, I saw right away! She was always so happy and we'd laugh after remembering stories from way back. (the late 1980's). May she rest in eternal peace with our Lord and Savior.

“ So sorry to hear the news. Dian and her family are long-time friends for 70+ years in Jamestown and Cookeville. Dian was my friend and was a wonderful babysitter for my son Todd. She taught him to love Elvis when he was little and would dress up like Elvis. The Williams family and Boles family were just the best. My heart is heavy for the family, especially Angie and Ella Rea. My love to all of you,. Dian was a good one!!
