“ Marsha, Marsha, Marsha. I worked with Marsha at Silver Angels for several years. She was a dear friend. I thought a lot of her. We would aggravate one another a lot. She surely will be missed. May God Bless you all and comfort you at this time. Brenda.

“ *My Marsha Marsha Marsha*

I'm not certain if I can find the words to express the loss of this woman in our family, in our lives... It's so difficult for me to think that I won't be able to create any more memories with her. One of my fondest memories of Marsha is her playing the 45 record of "run Joey run" about 80 times on a record player in a single day; her love for Freddy Prinze, the walks we would take to booger swamp; the thousands of letters she would write and visits to California (we saw Skynyrd together) to remind me that I was still a part of the family and I was still loved; the day she met my children; how she always went out of her way to be available to anyone in the family; all the way through til last year during my visit, she and Shellie were there to squeeze me before heading back. Her loving grin will remain in my heart for the rest of my days...

As I was officially Marsha's niece, she could not have been more of a big Sissy to me. I would like to say thank you for the love you chose to show me,

Thank you for all my cherished memories that include you, most of all Marsha Fay, I thank you for the MUSIC!!!
