“ *This is my son's father in law technically but he was more of a father to him than anything. I will be forever grateful for that. I had the pleasure of meeting and spending time with him at Dakota and Jordan's wedding and Thanksgiving 2 years ago. He was such a pleasure to be around and we enjoyed his sense of humor....he will be missed by many however the memories will forever be in the hearts and minds those closest to him. My sincerest condolences to the family and all that had the opportunity to meet him.*
