“ *Daddy,  
You will always be my #1 Hero. There was never a single time in my life that if I needed you, that you would stop what you were doing to listen to me and give me advice. No one in the world could have been a better Father to me than you. Just as I have always told you, I was the lucky one because you chose me to be your daughter. I will miss you dearly.  
Love your daughter always,  
Renee'*
