“ Bob's unwavering love and devotion to Stacy was inspirational. He had a way of bringing a smile to your face and lightening the mood, even in the midst of a heavy heart. His love for Lemme always had me looking for something to make him or send him. He was a bad ass, cool guy! I was privileged to know him. Rest in peace my friend.

“ *What can I say about Bob? I worked with him for many years. He was one of the best pressmen I worked with. To look at him at first you would see a very gruff individual. But once you got to know him, he was a very kind person. Bob was one of a kind and I will never meet someone like him ever again. We will all miss him very much! Rest in peace buddy.*
