“ *To the family of Roger (Rod) as we all called him, my heart goes out to you. I have known Rod since he was a little boy , we all lived close together and had many great times. He was the cutest little boy , always reminded me of Spanky on the little rascals. He always had a smile, and would always make you feel better just seeing that smile. For those of you who didn't know his Mother , he was just like her, funny, outgoing and always laughing. I call his daughter Sarah, Geraldine Jr. she is just like them. He will be missed by so many in Monterey, everyone knew him and he was just a special person. Linda told me that after he had his morning devotion , he would place his phone calls to all his buddies, they will surely miss that phone call. Everyone loved you Rod, and will miss you! “ Worked with Roger at MHCC for many years!! Worked with Geraldean as well at the DQ!! Both wonderful people and would do anything for you!! Roger could be so serious about something and then let out one of those big laughs he had!!!My heart breaks for the family!! He had texted and told me about his grandchild due in November, he was so happy about that!!! My deepest sympathy to all Roger's family!!!One consolation , if there is one, is that he's with his Mom and grandparents and all the many others gone from this life!! Rest in Peace Roger, you are loved and will be deeply missed!!!
