“ I only know Sandra through the love and care she showed for the people around her. She was so good to my daughter and son-in-law and all the babies. They all loved you, and would often tell me how much they enjoyed seeing you and being with you. You brought an unfiltered light of care with you. Their hearts are all broken, even though they know you are in God's hands. I pray for all of your family, especially brothers Billy Ray and David and all the little ones who miss you dearly. Thank you for always being there to care. Just knowing you was there meant the world to me.
