“ What a tremendous loss and what a fabulous lady. While I haven't see Sharon in a number of years, she is a person who, once you get to know her well, is “in your corner” for life. It is with great pleasure that we can imagine her taking care of George and Ann again, now. I pray that the Hornfeck clan in heaven, welcome her with those wonderful open arms that they always had greeted me with.  
May God Bless Sharon and all of those who are left here to remember her so well !

“ For almost 50 years Sharon has taken me into her business, home, family and heart, and for that I will be forever grateful! I am having a hard time and drawing a blank on what to say, there is not one story I can relate to without thinking of hundreds of others, I cannot think of one kind thing or nice thing without thinking of writing for hours on end and end! I will treasure my memories for the rest of my life, Especially when she was with her family and loved ones, Sharon had a special smile and a unique glow when she was amongst people she cared and loved. I will love you forever Sharon!!

*“ Melanie and Al I am so so very sorry for your loss. Aunt Sharon was always full of laughter and happiness and I will always be great full for the friendship she shared with my mom the last year of her life. It always brightened my moms day when that phone would ring and it would be your mom on the other end, and no matter how many times a day they talked they would be on the phone for hours. I also will always remember working down the Amity and how much fun I had with her and Jimmy. Oh and of course one of my earliest memories of your mom was camping and your mom riding that bike with no breaks and her pig tails flapping in the wind. I will always hold a place in my heart for her.*
