“ So so many memories with this precious lady. What a great cook she was worked with her for several years. And was even a caregiver to her when she had her surgery. It snowed one day while she was there and I said man I would love some snow cream and Shirley said you get the stuff and I'll make you some my leg may be hurt but my hands and arms aren't. I went out got snow and gathered the other ingredients and boom she made snow cream. I will miss you sweet lady and I loved you!! Sending love and prayers Scott and Mike.
