“ *Theresa gave me my first job bc I told her I wanted to be a pharmacist when I grew up. The entire Bishop family is very dear to me. Growing up working in the drug store, I really saw firsthand how they cared deeply for people, and I have felt like a part of the family. This is a significant loss not only to the family but the whole community. So sorry for your loss. Know that I love you all and am grieving with you.*
Sincerely, Jennifer Heady
