“ Teresa was a very nice person and I always liked her. Kendra, her daughter and Tara, my daughter were always the best of friends. If they weren't at our house staying the night then they were at Teresa's. They were pretty much inseparable. We raised our daughters up together. She will be missed, but I will see her again one day. Prayers for Kendra and her family.

My sincerest condolences to family. Theresa was beautiful inside and out. We talked many times about family and she loved you all very much. I saw her at Smith Chapel cemetery one year putting flowers on some of her family graves. We walker around talking about someday that will be us and maybe we would have pretty flowers too. She is surrounded now by beauty and in glory. No more sorrow or pain. Love you all.
