“ Steve and Peggy, I am so sorry to hear of your loss. It is so hard to lose your Mama. I lost mine in 2010, and I think about her and miss her all the time. She even still shows up in my dreams. Prayers and thoughts and love to you and your family.

“ Myself, Bricie Stamps Rice, Treva and her 8 siblings (one still born) were all born on the Beasley/Stamps farm. We were all born in board shacks with newspapers glued to the walls to cover the cracks. No electric and the only running water was when one of the older kids ran to the spring for a bucket of water. Treva and I as toddlers played in the sand together, no toys except our hands and we were great pals. Over the years, we all went our separate ways. Some of us stayed close and talked and visited over the years. About six years ago my family and I bought the old family farm. Since then, we talked several times a week on the phone and visited often. Every phone call ended with us laughing. Due to all of us being born in such impoverished circumstances we were all like brothers and sisters. As a result, this is like losing my sister and I sorely miss her and our many phone calls and visits. We pray God will bless our whole family and comfort us.

“ *She was a wonderful lady what little I knew about her. She loved her flowers and her cats. I tried to help and dig her a few rows for sweet potatoes but the ground was too hard and the tiller wouldn't dig. She was so sweet and kind to me and that was from the first meeting on. She never varied from that.* 🐝🦋🐱

“ *My mamaw loved everyone, in her own way. She was the best wife and momma, her life was spent caring for my Papa and their boys & the grandbabies. She taught me so many things.. how to cross stitch, clean the whole house before noon, make yummy popcorn balls & Ritz cracker pie!! We watched all of the soap operas & the price is right every day. I loved her so much and I'm grateful that she's resting in heaven with Papa, uncle Jimmy & uncle Kendall.* 🦋🕊️👍
