“ *Dear Trudy,*

Bob and I loved playing golf with you and Jeff. We had more fun watching Jeff hit the ball so far and watching him coach you so sweetly to help you get better and better.

You told me what you had been through with health problems, but you faced them with great courage. Your great faith was special as well knowing there is a beautiful life forever in heaven with Jesus, our Lord and Savior! I was happy to hear you and Jeff were able to do all you planned before going to our forever home.

Hope you get to see my Bob and meet my daughter Vicki with hugs from me! Until we meet again, I miss you!

*Love always,
Marilyn Schmidt*

“ *Trudy: Dogs know special people. In all the adoptions I've done, I have never seen a dog hug and choose someone the way Zorro did when he met you. I'm thankful Mary Jane and Jim recommended John and I when you and Jeff wanted to add a dog to your family. John and I really enjoyed getting to know you and Jeff thru church, visits at our home with the dogs, meals out and golf. You and Jeff were such a blessing to be around - to see the special love you shared, your positive attitudes and kind hearts. I know Jeff, Zorro and Zelda will miss you every day. I hope they will continue to visit us and lean on us as much as needed as they do their best to continue without you. I love you Trudy and will cherish memories of you. I know you are singing with angels and pain free.*

From one Beaver County person to another...Trudy you will never know the positive impact you have had on our lives. You and Jeff were such a joy to join us at the dances; we had such fun doing the "Best Of Friends" dance. You will be so missed. Rest in peace our dear friend. Our prayers continue to be with you and your family.

Trudy, your love of life and your strength to be so optimistic even in great times of trial is an inspiration to all of us who know you. I always looked forward to seeing you at the golf course and at Chorale practice. Your joking with me when I would appear to miss you in the welcoming greeting time taught me to try to be a blessing to someone each day. You certainly were a blessing to all of us who knew you and we are looking forward to that great day in heaven when we will see you again. You and Jeff were great examples of what it means to truly love one another the way Jesus loved us and taught us to love. Enjoy your new life, your new body, your time with all the saints you'll get to know - so you can introduce all us who come later to be where you are now - in the presence of the Lord.

Trudy , it was such a blessing to get to know you. Loved all the great talks we had at bowling. I know your in a better place now but so many of us will miss you down here. I was so glad that you and Jeff were able to get back up to Ohio this summer. It gave us one more chance to talk. We love you very much Trudy! Alan Barker
