“ Lisa, I'm so sorry to hear about Edith. She was a wonderful friend and cousin. I sure learned a lot about our families from her. She was a walking computer with all of her information about genealogy work. Lisa I know you will miss her deeply. Just always remember that I am here for you if you ever need to talk. We started out as friends in the early 80's as friends and when I first met your mom we ended up close cousins. I love you and your family..

“ Edith I will miss you terribly. I cherish the hours we spent together going over records of our ancestors and kin. This Covid kept us apart but you were always on my mind and in my heart. Your death is a great loss to the researchers of Overton County. Rest in peace and free of pain

I picked up the phone to call Edith and found the number not working. I am so saddened by this news. We spent many hours on the phone talking about our ancestors, and she asked me each time to come visit. Unfortunately, the time never came when covid came to us all. She was a loving cousin and I will miss her dearly. Condolences to all the family.
