Picture on left is my Dad, "Cotton", Walt and Uncle Ed. Picture on left is picnic area of Gun Club. Dad and Walt euchre partners. They couldn't be beat.

The picture on right was the picnic area and the euchre game. Picture on left was inside Gun Club at the bar. My guess that it was after a golf game.

“ I am sorry to hear of Walt's passing. He was like a member of our family. He was my Dad's, "Cotton" best friend. They were golfing buddies, euchre partners, and just loved hanging out together. My Dad acted like Walt's Dad in many cases. He taught him about the best way to handle his finances. He was the one who encouraged Walt to buy his home on North Hampton. Walt respected my Dad, which I'm not sure he respected many. My Mom adored Walt. She even let him come stay with them at their home in Florida, which was truly an honor, she wouldn't let some family visit. But she reminded him everyday that he only stay for a week. LOL Dad and Walt had a blast, Dad would take him to all of his clubs in Bradenton and they would play golf every day. Like I said Walt was like part of the family. When Dad got older and could no longer come back to Trotwood, it was a sad day. But Walt and Dad kept in touch by phone. Walt even called Dad a week before we had to put him in the nursing home, 2018. I spoke with Walt that day and that was my last conversation with him. Rest in peace my dear friend, you will be missed. My deepest sympathies to his sons Steven and Scotty. His sister's Mary and Glaydis and all the rest.
