“ *My dad...the character... the go with the flow attitude and his passion for golf were just a few things that made him my dad. I have many wonderful memories of the time we spent together, but I think one of my favorite memories is of us dancing all night long till the bars closed. You were an amazing partner and leader on the dance floor. ( when I let you lead... haha) I know you are dancing in heaven and someday we will dance together again dad. I love you with all that I am.*

*Catch you down the road.*

*He was a patient and deliberate man with integrity and I will miss him so.*

“ Some of my best childhood memories were of visiting my cousins Donna and Laura at Thanksgiving. Walt was a real character who was full of energy and had such a love for golf. He brought life and humour to our times together. Rest well Walt. I remember you with fondness and send my love to Sandra and Bob as well. Todd Brown

*It has been many years cousin, and I hope life has treated you well. The times our families spent together when we were young hold a special place in my heart, especially the laughter my dad seemingly interjected into most all situations...He has left us all with memories that can only put a smile on one's face. Be well Todd.*

“ Uncle Walter was always silly and constantly joking around at our family gatherings. His passion for golf that he shared openly and his deep love for his girls and grandchildren is how I'll always remember him! Rest in peace Uncle!!

*“ I will remember Walt as a "presence" at Lavender family gatherings and an intense competitor at those golf tournaments. It may be said that he lived his life with gusto. He certainly blessed us with wonderful children deserving his pride.*

*You are correct cousin to state he was a "presence", as he always left an impression no matter where he went. He truly was a patient, kind, loving man who lived life his own way, and he will be forever missed and never forgotten. I thank you for your kind words.*

*Yes he definitely loved his girls. He was a good dad in more ways than one... He was funny crazy unpredictable and firm when he needed to be. He taught me to enjoy life and to live it with a smile on my face every day!*
